This month at *Club* has been all about tinkering with the mag's design while trying to tinker with the girls who come by the office to show us their pinkest, moistest and most secretest parts. The latter won out. I mean, would you rather debate with Jon the designer about which Helvetica to use, or watch Samantha as she shows you her bum and says 'do you think I can get 8 inches in there?' Fonts or fuckholes – guess which we chose? ♣

PUBLIC POUNDING

I was walking down the canal after a day's work when I saw Angela, my ex, sitting with her legs over the water. A small, tight bird with rich, round breasts, five foot two, wearing a leather jacket on top of a short jeans skirt and white tights. She was swigging a bottle of red wine generously and talking to her self. I thought that she needed some company so I walked up behind her and asked her what she was doing there, sitting all alone by the canal.

"I needed to get away from people," she said, "I had a fight with my boyfriend and needed some time away from everything."

I suggested that we go back to my place, a short walk along the canal, to chat and have a drink, to which she immediately agreed.

"I put a hand on her cunt and started making wide circles on her clit"

We started walking and sharing her wine. Before I knew it we had our arms around each other. Angela's hand kept crawling down to my crotch and giving my cock a hard squeeze. Needless to say I was hard and craving her sweet little body. By the time we reached my door I was starving for her pussy. While I was sliding the key into the lock she huddled up behind me, her jugs pressing against my back, and started rubbing my cock through my jeans and biting my earlobes.

I opened the door and immediately turned around to be greeted by a lusty snog, her hands looking for my cock while I felt her cunt through her tights. I could feel her heat and wetness through her panties and her tights while she started moaning deeply and closing her eyes in near ecstasy.

Without closing the door we moved inside my place. Parting for a second, Angela turned around and leaned against the wall, still in the entrance hall. She moved her arms behind her back looking for me and my rod, while pushing her arse out in the air, grinding against my crotch.

Without further ado, I pulled her tights and panties down to her ankles and bunched up her skirt – her pussy was already juicing and glistening wet while she pressed against me, asking to be fucked with every movement but without saying a word.

I put a hand on her cunt and started making wide circles on her clit while parting her lips. With eyes still closed she moaned and begged for my cock with her body. In our lust, neither of us had realised that the door was still wide open.

INK STINK

Congrats to the new Ed on keeping up the fine standard – *Club* remains head and shoulders above every other magazine of its type.

One thing did catch my attention, however, and I am hoping it was a first-time editorial glitch as opposed to a new policy – the sneaky appearance of tattoos on some of the models. Don't get me wrong, some people like the body art – but I've always thought *Club* was a classy mag and have particularly enjoyed the omission (and occasional airbrushing out) of unsightly dolphins, stars and tramp stamps – I'm sure I speak for all aficionados of fine grot out there. *Club* has always been my mag of choice for the lack of tats and fake tits – long may this remain!
Sharky, London

Cheers Sharky, but where do you sit on tattoos of fake tits? We'll be letting the odd one sneak through when it's tasteful and classy in true *Club* style but, rest assured, we'll be deleting out any 'MUM' knuckles or teardrops.

RIPE BREE

I was on holiday about a month ago in a little village called Methil, which is in Fife. While I was there I went to the local corner shop and noticed they were selling imported porno mags. The one I bought turned out to be the American edition of *Club*. The magazine's full of hardcore pictures of gorgeous girls taking big cocks in their pusses and arses. Anyway, while I was flicking through the mag, I discovered this really sexy porn star I'd never heard of before. Her name's Bree Olson. I think she's absolutely gorgeous, with long, blonde hair, brown eyes and a lovely curvy arse. According to what I've read in the mag, she's a dirty little slut who loves anal sex and has starred in loads of films. I was just wondering if there's any plans to feature her in the UK edition of *Club*.
Craig, Cumbernauld

Boo to American *Club*! Up with *Club International*, the original and best. We love Bree too, and she's been in our ace sister mag *MensWorld*, but the minute someone sends us some nice photos of her – without a big cock in her bum, ideally, what with the law and all – we'll have 'em for you!

Reaching behind her back again she opened my fly and released my now throbbing member, stroking it hungrily and pulling it towards her eager cunt. Rubbing my bell-end against her clit, I teased her for a while, to ready her (and myself)

LUCILLE'S BALLS

Well, she hasn't got any, but she likes them...

You picked a fine time to leave us, Lucille.

"What do you mean? I haven't gone anywhere."

Not yet, maybe, but you all leave us in the end. You leave us bitter, alone and drinking red wine at 4AM while we play *Football Manager*.

"I love *Football Manager*."

Really?

"No, idiot. I love men who come to bed and fuck me instead. Why would you want to play games on your own when you've got me waiting naked in bed for you, all wet, willing and horny?"

Well, we're just trying to get Preston promoted, then we'll save the game, honest.

"And you wonder why they leave you? I'd be off in a flash to where the real dick is. *Football Manager* indeed..." ♣

DOWN THE WIRE

What's been keeping *Club*'s network of global correspondents busy this month?

ANOTHER KIND OF ACTION MAN

Toy manufacturers Mattel, the giant corporation who brought us all Action Man, amongst other, less savoury products, has announced that it is presently accepting pre-orders for the April release of the newest doll in the Barbie/Ken line, the swankily dressed 'Palm Beach Sugar Daddy Ken'.

It is rumoured that Sugar Daddy Ken is – somewhat frighteningly, yet appropriately enough – to be showcased with a much younger, trophy-type Barbie. According to Mattel, he emanates, 'Cool sophistication... Sporting a dashing jacquard-patterned jacket with a light pink polo shirt and crisp white pants, Ken doll is ready for the Palm Beach social season, whether sunning by the pool or strolling with his little canine companion.'

In addition to the pimped-up and ageing, cradle-snatching and shit-rich customised Ken doll, the 'Sugar Daddy' kit contains jacket, pink polo shirt, white shoes, a small dog on a lead, skimpy swimming trunks and, of course, (in case your jealous friends decry your dolly as a copycat foreign knock-off) a certificate of authenticity.

STORMY WERTHERS

Having been jilted, feisty old broad Elsa Seman, aged 71, recently determined to blow her ex-manfriend's heart out of his chest and see how he liked it. It was a tragically poor judgement call. Dressed in black in the style of a ninja assassin and looking, one would hope, a bit like Honor Blackman, she crawled quietly through the garden of her former lover's home in North Versailles, Pennsylvania, on her elbows and tits.

Unfortunately, Elsa made a little too much noise dragging herself through the rosebushes, a curtain twitched, and someone dialled 911. Before she could reach the door, moving slowly and steadily like Andy McNab so as not to be seen, the police turned up, drew down, and blew her away.

TED'S SEVERED HEAD GETS STUCK TO A TENCH AND STRUCK WITH A WRENCH

If you're thinking of having your head severed, frozen and stored in a cryogenic facility when you kick it, in hopes that future doctors will be fighting with each other for the chance to reanimate a 200-year-old napper and 'cure' whatever ails you (notwithstanding that not having a body has become an extra drawback, and one which it will likely be particularly tricky to treat), read on.

In 2002, following a heated family discussion, the head of late baseball megastar Ted Williams was cryogenically frozen in the hope that he would one day live again, be outfitted with a body or, at least, a half-dozen castors, and enjoy a series of lame adventures with Buck Rogers and Twiki. But an employee of the Arizona lab in which Ted's head is frozen recently came running to the newspapers whining about the sports legend's frosty pan loaf being disrespected and disclosing any number of alleged workplace atrocities involving the poor old duffer's sainted skull.

Most jaw-dropping of the lot was the allegation that, in order to keep Ted's frozen head from sticking to the inside of its storage carton, his dome was placed on an open fish can inside the container… only for the can itself to become stuck to the head – so firmly that it needed to be smacked free by repeated heavy blows from a monkey wrench. Dignified.

FOUL PLAY

Appearing in court in Truro, Cornwall, 40-year-old David Truscott was recently sentenced to four months in jail for repeatedly trespassing on the farm of Clive Roth in order to 'play' in the farm's manure-spreader while wearing only his knickers – which, witnesses noted, were grubby - and, incongruously enough, a pair of rubber gloves.

Truscott apologised by telling the court that if his dancing around doing handstands in shite had offended anyone who happened to be standing watching then he was terribly sorry, but begged them to take into consideration that he was fighting a sexual fetish for manure. And there ain't many rehab clinics treat that.

READER, I FUCKED HIM!

I love your Reader's Girlfriend section, but I want to know how many of them are really the girlfriends of your readers, and how many are from your secret model stash? I mean, some of them are fucking gorgeous. If I sent in pictures of all my ex's you'd have a fright, believe me, and the last thing you'd want to do is stick them in *Club*. You might want to stick them in a pen.

for what was about to come.

Unable to restrain myself any more I plunged my cock deep into the folds of her wetness. Fucking her from behind with slow, long thrusts I started biting her neck and teasing her clit with my right hand while she pressed her arse harder against me, trying to get all she could.

Moaning and with her eyes still closed, she turned around to look for my mouth. As our tongues met and my cock ground against her pussy, she opened her eyes and saw the door wide open and a couple of curious passers-by looking into our vigorous fucking session. With a gasp she stiffened. The spectators were too much for her and sent her over the edge. With loud musical moans she started cumming and squeezing my cock with her pussy muscles.

At this point I was so randy that, without giving her time to relax, I grabbed her thighs and lifted her towards me in a wheelbarrow position, trying to pull her cunt along the full length of my shaft as she screamed for more. The rhythm intensified. I started slamming her with all my force, racing towards my own orgasm. In the depth of my lust trip I started vibrating and practically jumping up and down, still holding her legs under my arms.

The pressure on her G-spot sent her straight into another climax. Moaning with explosive craving, her muscles clamped on my cock even harder than her first climax, trying to squeeze everything out of me. It was too much and, with a final battering thrust, I came to her pussy hugging my throbbing rod while slowly setting her back down in a standing position, while she milked me with slow circles. She kept at it until she had every last drop of jizz out of me, until the very last twitch of my ecstatic cock, before slipping off me.

Without a word she pulled her panties and tights up, straightened her skirt and stormed out of the door, slamming it behind her, straight into the arms of the small crowd which by this time had gathered in silent awe by my flat. I have never experienced anything as intense as my encounter with Angela by the canal.

THE SPICE TRADE!

Saffron might be one of the most expensive spices, but I reckon your *Club* girl Saffron might be an even more expensive date. She doesn't look the type who'll be happy with a few pints at my local Samuel Smiths followed by a fish supper. No, she sounds like the sort of middle class bird who'll want oysters and champagne at some Michelin-starred joint before going on to a club where footballers hang out. Mind you, I bet she'd still go like the absolute clappers. Posh girls are always the dirtiest, and I reckon Saffron swallows cock like a champ.

LIBRARY LUST

I was going through a period of lockdown studying for final exams. I spent most of the time shut in the library continually distracting myself, looking at girls with a growing desire to fuck them. One night I went down to the deserted bar for a lonely cigarette. A girl was there indulging in the same distraction. I lighted my cigarette and stared at her, the small blond girl kept her eyes on the smoke coming out of her red, juicy lips. She sucked the last drag of her fag and crushed it in the ashtray. That sudden gesture of secure violence aroused me and I felt my cock rising inside my jeans. I continued staring while she got up and headed inside. I cursed my shyness, promising myself to overcome it.

I finished my cigarette, imagining what she looked for in a fuck. I walked back to the library and there she was sitting right next to where I had left my books. I sat down and stared at her again. She blushed and I slipped my hand under the table, between her thighs and under her skirt. She didn't react and continued staring down.

My hand made its way under her pants, and I started playing around, making my way between her labia, searching for her clitoris. My fingers pressed upon it and slowly started stimulating it with circular movements. I felt the moisture on my fingers and I pressed harder, pulling the swollen clitoris.

With my other hand I unzipped my trousers then grasped her hand, leading it to wrap

SLAM IN THE SAM

Watch Sam tune her nips in to orgasm FM...

We only spent a couple of hours with the delightful Sam, but the whole time we were with her, she couldn't stop playing with her nips. What gives?

"Oh god, they're so sensitive," she moans, still playing with them. "I'm one of those rare girls who can make herself orgasm just by playing with her tits."

That is rare. We wish our nips were like that, but they're next to useless.

"Yeah, but men have got other bits that work a lot better. I mean, I bet you guys can make yourselves cum just by playing with your dicks!"

Yes, very good, Sam.

"Ha ha! Anyway, you need anything else? I've got nipples to play with and there are only 24 hours in a day..." ♣

CLUB'S ROUGH GUIDE TO... THE DARTS!

The post-Christmas and New Year void can mean only one thing – it's time for those warriors of the oche to do battle once more in the Darts World Championships.

Matt Lexham finds a tournament once synonymous with fags, booze and beer-bellies in very rude health...

HISTORY

Since the first ever tournament in 1978 at Nottingham's Heart of the Midlands Nightclub, the Darts World Championships have evolved almost beyond all recognition. Except, of course, that it still involves white blokes throwing tungsten arrows with varying degrees of accuracy at a circular target from a distance of seven feet nine and three quarter inches.

To improve the image of the game, drinking alcohol onstage was banned in 1989, meaning that matches would take place without the customary sea of empty pint-pots in the background and players pausing for a swig of bitter in-between every throw.

The smoking ban has swept away the impenetrable fog of fag smoke that used to hang over venues such as Stoke's Jollee's Cabaret Club and The Lakeside in Frimley Green, and in a bid to keep up with the likes of Phil 'The Power' Taylor – whose game was recently transformed by fitness and tips from boxer Ricky Hatton – and the new generation of younger, fitter players such as James 'The Machine' Wade and Michael Van Gerwen, darters have ditched the beer-bellies in favour of sessions in the gym and exercise regimes. Okay, so perhaps there's still a few guts hanging around, but the fact remains that darts on the world stage has a much more professional image than before.

Another big change has been instigated by what is referred to as 'The Split', which occurred when many of the top players broke away from the British Darts Organisation (BDO) in 1992 to form the rival World Darts Council, which has ultimately become the Professional Darts Corporation (PDC) of today. Indeed, the wranglings that followed the split led to the breakaway group establishing their own World Championships in 1994, and ever since then there have been two separate tournaments and two so-called World Champions.

The event as a spectacle is now a completely different animal, particularly on the more forward-thinking PDC side. From the Circus Tavern in Essex to the huge Alexandra Palace in London, where their annual shebang now takes place, darters enter the arena flanked by scantily-clad models, music blaring out and the huge crowds chanting along and waving cardboard 180 signs. It's a far cry from the days when players would wander shabbily onstage smoking a ciggie and clutching a pint of bitter.

Generally, the changes to the game have been welcomed, but there's still many fans who hanker after the days when household names such as Leighton Rees, Cliff Lazarenko, Jocky Wilson, John Lowe, Bobby George, Dave Whitcombe and, of course, Eric Bristow did battle on the oche amidst a haze of booze and fags. TV audiences in that 80's heyday peaked at around the 10 million mark, while today the BBC struggles to get 4 million for its coverage of the BDO final, although the continuous defection of many of the best players to the flourishing Sky broadcast PDC tournament is at least partially to blame.

While the World Darts Championships are enjoying a renaissance on both sides of the fence, unification of the tournament appears to be the only way to take the game back to its glory days. With players from each governing body now mixing for selected competitions and PDC Chairman Barry Hearn recently having a million pound bid for the BDO rejected only at the very last minute by their founder, Olly Croft, the signs suggest that some kind of tungsten truce could be just around the corner. Only time will tell...

Jocky Wilson lives with his wife in a flat on the council estate in Kirkcaldy where he was born...

THE LEGENDS

JOCKY WILSON

A former coal delivery-man and a miner at Kirkcaldy's Seafield Colliery, John Thomas Wilson only got into darts when he entered a competition at Butlins in 1979 during a spell on the dole. He duly won it and scooped the £500 prize, and Jocky, as he became affectionately known, decided to chance his arm on the professional circuit. Just three years later and he was World Champion, beating John Lowe 5-3 in the final.

However, Jocky's finest hour came in 1989, when he defeated his great rival Eric Bristow in a match that has gone down in history. With Jocky 5-0 up and cruising, Bristow clawed his way back to within one set and it was game on, but Jocky held his nerve to prevail 6 sets to 4 and send the crowd into raptures.

Popular with fans for his honest approach to the game – the perfect foil for Bristow's gamesmanship and cockiness – Jocky reached the Quarter Finals in the next two years and was one of the players who split from the BDO, but then his form deteriorated and he walked away from darts in 1995.

He's battled with depression, alcohol problems, and is now a recluse, living with his wife in a flat on the council estate where he was born in Kirkcaldy – but Jocky will always rightly be remembered as a genuine darting legend.

ERIC 'THE CRAFTY COCKNEY' BRISTOW

The best darts player ever to grace the oche? Phil Taylor devotees would undoubtedly disagree, but the fact remains that The Crafty Cockney achieved the incredible feat of winning all his five world titles when the world of darts was unified – something which might never be allowed to be repeated.

In fact, Bristow ruled the game for more than a decade, and to add to his five championship wins was runner up on another five occasions, failing to reach the final only once in an incredible 11-year stretch. His cocky, arrogant persona and big-headed antics made him the figure that fans loved to hate, but no-one could doubt his part in bringing the game to the masses or, for that matter, his incredible record in the World Championships.

As the legendary darts commentator Sid Waddell said of Eric after he'd won his fourth title: "When Alexander of Macedonia was 33 he cried salt tears because there were no more worlds to conquer – Bristow is only 27."

After suffering Dartitis – a condition which stops the player from being able to release the dart properly – The Crafty Cockney made a valiant return with the newly-formed PDC but struggled to get back to his best, although he did roll back the years to reach the World Championship semi-final in 1997, only to be knocked out by his protégé, Phil Taylor.

PHIL 'THE POWER' TAYLOR

If Eric Bristow and Jocky Wilson brought darts to the people, Phil Taylor snatched it back from them and took it to a level to which they could only aspire. Ironic, perhaps, that a darter mentored by the great Crafty Cockney should smash all his long-held records and transform the game that he'd previously made his own.

Where once decent pub players could actually match some of the three dart averages being achieved in World Championship matches, 'The Power' has consistently set standards that are nothing less than staggering. In 1978, when Leighton Rees won the title he clocked a very respectable 92.40. Not too shabby. However, last year, in the final against four-time winner Raymond Van Barneveld, Taylor won with an almost super-human 110.94.

Boasting 14 world titles and counting – two of which were won in the unified years – many believe that The Power is the best player that will ever grace the game. Others speculate as to what would've happened had Taylor met Bristow in his pomp. Alas, we'll never know, until they invent time machines.

BDO BIG SHOTS

TED HANKEY

'The Count' likes to take to the stage dressed as Dracula, hurling rubber bats into the crowd. After his game fell apart due to boozing too much before matches and bouts of 'Oche Rage', Hankey got his bite back at last year's World Championships, beating Tony O'Shea 7-6 in a thriller.

TONY O'SHEA

His squat figure has earned him the nickname 'The Silverback' – darts has never been a place for sensitive types – and O'Shea enters this year's BDO World Championships on a high as the Number One seed. He'll be looking to go one step further than his narrow defeat to 'The Count' in 2009.

the hairiest faces on the oche. His hand visibly trembles as he throws his darts, but that didn't stop him becoming World Champion in 2007. Indeed, Wolfie is a model of consistency, and it would be a shock not to see him in the later rounds.

MICHAEL VAN GERWEN

At just 20 years of age 'Mighty Mike', as he is known, is one of the most exciting young talents in the game. In 2008 he had one dart to knock Phil Taylor out of the World Championships in the first round, but bottled it and ended up losing the match. Huge potential.

JAMES 'THE MACHINE' WADE

A quarter-finalist in 2008 and a semi-finalist in 2009, if it wasn't for a certain Phil Taylor then James Wade would be the hot favourite to scoop this year's title. Wade is currently the best 'young gun' in the game, and a possible successor to 'The Power' when he finally hangs up his flights.

ADRIAN LEWIS

Lewis won $75,000 in a casino whilst competing in the 2005 Las Vegas Desert Classic (where the red faces of the players, finally in the sun, are hilarious), but was too young to claim the prize under US laws. A protégé of Taylor, 'Jackpot' Lewis has had better luck in darts, reaching the World Championship Quarter-Finals twice. ♣

BOX CLEVER!

STUFF YOUR DVD WITH CSI BOXSETS, AND STUFF YOUR POSTBOX WITH PRIZES...

While Prufrock measured out his life in coffee spoons (yeah, we get a lot of poetry fans writing to *Club*), we measure out ours in DVD box sets. January to March? That'll be *The Wire*. April? We'll get round to *House* and a smattering of *The Shield*. *The West Wing* will clearly take up most of the year. Basically, US TV box sets kick all kinds of arse and take up those times when we should be writing the great British novel.

So, all our plans to get cracking on that album/novel/gardening next year have been kicked into touch by Momentum Pictures releasing all 38 *CSI* boxsets – that's *CSI Miami*, *CSI NY* and the OG *CSI Las Vegas* – at £10 each – down from the usual £34.99. HMV are exclusively retailing the complete collection of boxsets (*CSI NY* S1-5, *CSI Miami* S1-6 and *CSI Vegas* S1-8) at this very special promotional price but only until the end of 2009! Basically, you've got about 3 days to go and cane this promotion and make sure you're watching Gil Grissom all next year instead of shit like *My Family* and *Albion Market*, or whatever is on British telly these days. We don't know, we just watch boxsets.

And if you're too tight to spend £10 – really, take a look at yourself – we've got 3 copies of the *CSI NY* Season 1 boxset to give away. In your face, magazines with only 2 copies – or even 1! – to give away. Simply answer this question: Which *CSI* came first: Vegas, NY, Miami or Croydon? Email your answer to *clubint@paulraymond.com* or write to the address on page 4. First three names out of the hot get their hands on TV gold.

FUCKIN' FAMOUS!

THE WORLD IS OBSESSED WITH CELEBS, SO WE MIGHT AS WELL SHOW YOU THE HOTTEST ONES...

Is there a finer thing in the world – other than *Club International* and everything in it – than your favourite celebrity getting her spilge out? We think not, which is why you'll find a whole lot of that kind of thing in Popshot Culture (see pages 42 and 43). But we want to know who your desert island celebs are. Who are the film stars, pop tarts and dismal daytime soap sorts you long to see in mildly erotic nip-slip action? Send us your top 5, we'll print the best and we'll dig the snaps out for you. Send 'em in to *clubint@paulraymond.com* address, or the address on page 4.

around my hard cock. She was still, so I started thrusting my knob against her hand while her grip grew tighter and tighter. My dick grew in size and I could feel it exploding, constrained by her grip. I couldn't believe my luck – I'd tried with no hesitation and got what I wanted. It was all about confidence, I thought to myself. The thought gave me momentum and I grabbed her, squeezing her from the buttocks, slowly nudging her back to slowly flatten her on the table, but following her to keep thrusting on her firm grip.

I pulled her tights down and pushed my head between her crossed legs, resting them behind my neck as my head plundered in her moist pink folds. I kneeled and started playing with her clit, giving small bites and exciting her with my moist tongue. Her cunt opened up and her juices started to flow. My hands reached up her thighs and I started fingering her with my thumbs (if that makes sense!). She started moaning, covering her mouth to stifle the sound.

I entered her moist hole with my tongue and started stimulating the inside of her pussy. Her clit became even more swollen and super sensitive, I dived in to it, making her spasm and

"I pounded harder and her cries grew in intensity as she lost control on my cock"

pant while her juices reached my lips and I found new momentum. I unbuttoned my trousers, opened her legs and stood up, squeezing her thighs around my waist. My prick was almost painfully rock hard, exploding with lust over her timid moaning.

I had no other desire than to make her lose her every reserve. I grabbed her hand and firmly wrapped it around my cock again. I mounted her. She moaned, I took my prick out and penetrated again, allowing only the bell-end to enter at first. Her moaning grew louder and my cock slipped in completely while she grabbed me in the throes of pleasure. I pounded harder and her cries grew in intensity as she lost control and the muscles of her vagina clamped over my cock. She came, arching her back. It felt incredible, but she was asking for more.

I turned her around with my cock still tight between her contracting muscles. I put her flat on her stomach and I could see her wet, wide pussy asking me not to stop. Her cunt loosened her grip and my cock was throbbing again. I bent her legs down towards her stomach and kneeled on a chair, humping her from the limit of the table. Her back arching tightened the grip on my cock, I felt ready to shoot my load.

I came first, but the moment my cock started gushing cum on her back, she cried that she was going to orgasm again. She took everything she could from my cock, spasm after spasm, and she asked for my knob until it was milked to the last drop. At which point, we finally introduced ourselves to each other...

DIGIT BRIDGET

One finger is never enough to stuff...

Bridget describes herself as a really greedy girl. In what way?

"I always want more!" giggles the 22-year-old from Prague. "If you've got a 6 inch dick, I want it to be 7. If you've got a finger inside me, I want another."

So it's not so much you that's greedy as your pussy?

"No, I'm greedy too. Once I've got the lovely taste of jizz in my mouth, then I want to swallow some more loads. And once I've licked one pair of balls, I need another."

You're just a sex addict, aren't you?

"Could be."

Well, there's only one cure for that condition.

"What's that?"

Just have lots and lots of sex, all the time. It's the only thing that works. ♣

HTC Hero
£435
www.htc.com

The iPhone is much like the popular girl in school, where anyone who expresses criticism or disinterest is seen as some sort of jealous ugly duckling. It doesn't help that many of the iPhone's rivals are just that and offer little challenge to the monopoly. However, things are slowly changing and HTC's new 'social networking' tool may be the one for people who like to think of themselves as a little bit 'alternative'. Not least because it's really well-built and is as user friendly as we've seen, with a particularly responsive keyboard, enabling people with far too much time on their hands to 'tweet' their every move and respond to inane threads on Facebook about the latest cat falling from a wall on YouTube. It even organises all your little sites for you, just so you can officially retire your brain from everyday life.

Marantz IS301
£200
www.marantz.com

We've already seen a slew of devices that wirelessly transmit from a base station to assorted speakers systems situated around your home, but the Marantz IS301 allows you to reverse the process. Essentially it's an iPod dock contained in a lightweight handset that you can carry around with you and transmit back to a receiver connected to your existing hi-fi set-up. This is achieved courtesy of A2DP stereo Bluetooth, which can prove troublesome at distances beyond ten metres and when walls and

other wireless devices are at play. Despite this, the sound quality ultimately depends on how your hi-fi performs, so the £200 might be better spent there instead.

Magic Box Clarus Plus
£79
www.magicboxproducts.co.uk

If I said to you there was a radio you could take brand new out of the box and have tuned into a radio station on the other side of the world in less than five minutes without getting your PC involved, you'd be impressed, right? You'd be even more pleased that you could also get superb DAB and FM reception with it, and all for less than £100. Well, that's the Clarus Plus in a nutshell. It might not have the bassiest of sounds, eye-catching design or the convenience of battery power but as a household radio it's perfect. There are 24 presets, 8 for each format and chances are you'll be making the most of the PC-less internet connection. As it's Real Audio enabled you can enjoy the BBC Listen Again function and all this without any untimely buffering. The world's radio is at your fingertips.

Apple TV 160GB
£265
www.apple.com

Much like garlic bread, On Demand TV is clearly the future, and if Apple get it right, then they already have a slavish consumer base ready to buy into it. Well, it seems like they may have come close to doing so with their new 160GB model of their wireless video, which allows you to access a huge amount of iTunes content, giving speedy access to U.S. shows often the day after they've aired in the states. Plus, you can also wirelessly connect to your computer and sync all your existing iTunes music and stuff to one place. It seems like they've not skimped on the visual and sound quality, with the decent resolution of 480p and the latter something close to CD. If you want to be a real ponce you can even control it with your iPhone or iPod touch, by installing the Remote 'app'. That's 'application' to the non-twats of the world. ♣

L&L'S COOL LAY

Laura, Letitia and a whole lotta lickin'...

Laura and Letitia were so horny when they turned up for these photos, that things got out of hand pretty quickly. It was a case of 'wind 'em up and watch 'em go'.

"Jesus, she turns me on," Laura says about Letitia.

"Ditto," says Letitia about, well, Laura. And that's all we got out of them until they'd finished. They barely came up for air for two hours as fingers, tongues and toys disappeared inside holes even the veterans at *Club* didn't know existed. At one point, they were so into each other it's like they became one heaving, writhing mass of sexy flesh, like a hotter version of that orgy scene in the classic film *Society*. Yup, that rude.

"Wow, that was good," sighs Letitia, wiping pussy juice from her top lip.

"Ditto," says Laura. ♣

LAURA & LETITIA

POPSHOT CULTURE!

@HAT'S HOT, WHAT'S NOT AND WHAT'S WORTH A POPSHOT – ALL IN A DAY'S WORK FOR THE KING OF GROT, MATT SANDERS...

PORN STAR GRAVEYARD

Mourn with us at the shrine to those who can no longer receive facials...

No. 3 – Marilyn Chambers

On April 12th, 2009, the world lost a bona fide adult movie star. Marilyn Chambers was born in 1952 in Rhode Island. From the age of 16, she pursued her dream of a modelling career and was just the kind of face soap company Ivory Snow wanted on their boxes. She took to topless dancing in bars where, predictably, a coupla porn directors spotted her and cast her in *Behind the Green Door*. Such was its popularity throughout the 70's. Marilyn appeared on all the chat shows, box-office records were broken, and the guys at Ivory Snow quickly dropped her in shame.

Not content with just being a porn star, in 1977 Marilyn was cast in horror genius David Cronenberg's gory *Rabid*. The main star of the film, she played a woman with a cunt in her armpit which ate people. Yep, feel free to read that last sentence again. It's a classic, and Marilyn's performance is entirely credible. However, a mainstream career failed to beckon so she was back to slurping schlong in the likes of *Insatiable* a year or two later.

After Chambers retired from porn she went off the radar until 2004, when she was the running mate of presidential candidate Charles Jay of the Personal Choice Party. They ran again in 2008. The fact that they received less votes than I've had wanks so far this year indicates that the party wasn't gonna be snaking into government any time soon. Marilyn was found dead in her California home in April 2009, after suffering a brain haemorrhage. Her early works are still well worth a tug, because she had the tight, firm bod of an angel (if you can see past the hairy muffs). She will be missed.

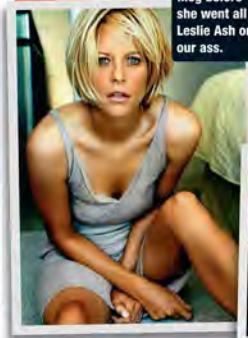
BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: MEG RYAN

She was arguably the most successful actress of the late 80's/early 90's, clocking up roles in the likes of *When Harry Met Sally* and *You've Got Mail*. Now, I'm not the kind of guy who watches those kinds of films, but one thing I did know was that she was fit. Well fit. Something about her scruffy, short, dirty blonde hair, her pouty lips, her piercing blue eyes... it was just a shame that she failed to appear in any movies that a bloke would see without being dragged there by some unbearable other half. When she was in a film that men should like – *Courage Under Fire* – it wasn't all that good, even though it had a war and helicopters in.

So when she finally got her badoobadabas out in *In The Cut* it was annoying, cos she was no longer the perky little fox she used to be. And things are going further off the boil now. There can be no doubt her lips are full of whatever gunk they squirt into them these days to fatten them up, and that glassy-eyed strop she pulled on Parky a few years back shows she's become a right handful. But, if she sidled up to you in a bar and offered to let you finger-bang her in the toilets, you'd still say yes, wouldn't you? I know I would. So come on, Meg...



Meg before she went all Leslie Ash on our ass.

RESPECTABALLS

WHEN PORN STARS HIT THE MAINSTREAM...

Stephen Soderbergh is an Oscar-winning director whose wildly eclectic work includes *Ocean's 11* and *Erin Brockovich*. Sasha Gray has also won awards, for works such as *Swallow My Squirt 4* and *Anal Acrobats*. Neither seems particularly suited to the other, which made it all the more surprising when Soderbergh cast Grey as the lead in his new film *The Girlfriend Experience*. But when you put them side by side, the similarities between the two auteurs begin to take shape: both are dedicated to their craft (Soderbergh often lenses his own movies; Grey will often get plugged in all holes with cock), both are willing to buck the system (Soderbergh insisted his Che Guevara biopic be spread over two long films; Grey bucked racial prejudice in the movie *White Chicks Gettin' Black Balled 22*) and both are... um... well, no, actually it was just a surprise. The film itself is a bit dull, with Sasha playing a very expensive call girl, which mainly involves her stepping in and out of limos and swanky hotel rooms and acting a bit vacant. She looks lush though and you do see her boobs in it. Although let's face it, if you decide to have a tug over this rather than *Gangbang My Face* you really are a fucking idiot.

Sasha: being buggered by cocks not pictured.

Smoo-ray

WHEN STANDARD RESOLUTION BOOBIES JUST WON'T DO...

The world's men and lesbians uttered a united "Yay!" earlier this year when Justin Timberlake's fuckpuppy Jessica Biel announced she was gonna play a stripper in upcoming flick *Powder Blue*. Of course, we all remember what happened when Natalie Portman did the same thing for the pompous *Closer* – we managed one wank at her vanilla gyrations and that was about it. We have similar reservations about *Powder Blue* in that it's a po-faced story of a single mum who makes ends meet by being a stripper (yawn) but at least Jess actually gets her tassels off in this one. We predict two wanks. *Powder Blue* is gonna be out on DVD and Blu-ray in the new year, so you'll have to make do with these moody grabs in the meantime. Which leave us pondering the question: when will a hot movie starlet finally do a strip scene at one of those bars where the girls take their knickers off too? We want clunge!

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

Kissing can apparently aid in reducing tooth decay. This is because the extra saliva helps to keep the mouth clean (which all of a sudden makes kissing seem gross)

During the female orgasm, endorphins are released, which are powerful painkillers (not that any woman has used the "I've got a headache" line since the mid-eighties)

Every day, 200 million couples around the world have sex, which means over 2000 couples are doing it right now (bet you're not one of 'em)

The word 'gymnasium' comes from the Greek word gymnazein, which means to exercise naked – a popular pastime in Ancient Greece (so give it a go next time you're down LA Fitness)

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

This month's starlet to watch on Twitter is Kaci Starr, a button-nosed brunette who is a big fan of recreational herbs, playing with her pussy (cat) and playing with her pussy (vagina). She's a perky little tweeter, prone to joyous outbursts of "life is wonderful" simply cos she's watching *Dexter* with a marijuana cigarette on the go, and is surprisingly coy with her twitpics. But hey, sometimes less is more, right?

Anyway, she's well worth a click on the 'follow' button (we're big fans of her little pal, Jasmine the cat) and to prove it, here are some of her choice tweets from the last coupla months:

"Watching Dexter, doing laundry, smokin weed.... life is wonderful:)"

"My hands are so sore from shooting a 9mm!!! My hands are so small compared to that gun"

"I squirted for @bluebirdfilms for almost a min, I couldn't believe it!!!"

"Just cuddling with jasmine:) i'm so lucky to have such a cuddle bug :)"

"Omg!!!!! I can't believe I was actually swimming with the dolphins in deep ocean water.... that's a huge thing for me:)"

"Yay! My male talent just showed up..... let the sex begin;) I'll be soaking wet from cum and my spit when this is done! Lol"

Yep, that charming mixture of cute wondrousness at the fun of the world, intermingled with gallons of porn studs' messy cum, that's what we like of our twittering fucksluts. Follow her at *www.twitter.com/misskacistarr* and follow me at Twitter @popshotculture. ♣

SEEING A FRIEND

A Polish immigrant went to the DVLA to apply for a driver's license. First, of course, he had to take an eyesight test. The optician showed him a card with the letters: 'C Z W I X N O S T A C Z'. "Can you read this?" the optician asked.

"Read it?" the Polish guy replied, "I know the guy."

KNOB GREASE

A man doing market research knocks on a door. He's greeted by a young woman with three small children running around at her feet.

He says, "I'm doing some research for Vaseline. Have you ever used the product?"

She says, "Yes. My husband and I use it all the time."

"And if you don't mind me asking, what do you use it for?"

"We use it for sex," the woman replies.

The researcher is a little taken back. He replies with candour, "Usually people lie to me and say that they use it on a child's bicycle chain or to help with a gate hinge. But, in fact, I know that most people do use it for sex. I admire you for your honesty. Since you've been frank so far, can you tell me exactly how you use it for sex?"

The woman says, "I don't mind telling you at all. My husband and I put it on the door knob to keep the kids out."

DEAD FUNNY

During a ride in a taxicab, the passenger touches the driver on the shoulder to ask him a question. Upon the touch, the cab driver flinches, screams, then goes into a panic and almost crashes the cab. Finally he gets control and pulls to the side of the road.

Still shaking, he turns to his fare and apologises. He says, "Sorry about that. This is my first day as a cabbie. For the past 20 years I've driven a hearse."

THE LADY AND THE TRAMP

A woman was walking down the street. Without warning, she was accosted by a particularly dirty and shabby-looking homeless woman who asked her for a couple of dollars for dinner.

The woman took out her billfold, extracted ten dollars and asked, "If I give you this money, will you buy some wine with it instead of dinner?"

"No, I had to stop drinking years ago," the homeless woman replied.

"Will you use it to go shopping instead of buying food?" the woman asked.

"No, I don't waste time shopping", the homeless woman said. "I need to spend all my time trying to stay alive."

"Will you spend this on a beauty salon instead of food?" the woman asked.

"Are you NUTS!" replied the homeless woman. "I haven't had my hair done in 20 years!"

"Well," said the woman, "I'm not going to give you the money. Instead, I'm going to take you out for dinner with my hubby and myself tonight."

The homeless woman was astounded. "Won't your husband be furious with you for doing that? I know I'm dirty, and I probably smell pretty disgusting."

The woman replied, "That's okay. It's important for him to see what a woman looks like after she has given up shopping, hair appointments, and wine."

SEEING SENSE

An old, blind cowboy wanders into an all-girl biker bar by mistake. He finds his way to a bar stool and orders some coffee. After sitting there for a while, he yells out, "Hey, anyone wanna hear a blonde joke?" The bar immediately falls absolutely silent.

In a very deep, husky voice, the woman next to him says, "Before you tell that joke, Cowboy, I think it is only fair, given that you are blind, that you should know five things. The bartender is a blonde girl with a baseball bat, the bouncer is a blonde woman, I'm a 6-foot tall, 175-pound blonde lady with a black belt in karate, the woman sitting next to me is blonde and a professional weightlifter, and the lady to your right is blonde and a professional wrestler. Now, think about it seriously, Mister. Do you still wanna tell that joke?"

The blind cowboy thinks for a second, shakes his head, and mutters, "No... not if I'm gonna have to explain it five times."

BEER GOGGLES

A man stops at his favourite pub to relax after a hard day at work. He notices a man next to him order a shot and a beer. The man drinks the shot, chases it with the beer and then looks into his shirt pocket. This continues several times before the man's curiosity gets the better of him.

He leans over to the guy and says, "Excuse me, I couldn't help but notice your little ritual, why in the world do you look into your shirt pocket every time you drink your shot and beer?"

"There's a picture of my wife in there," the man replies. "And when she starts looking good, I'm heading home!" ♣

POOL SHARK

A rich millionaire decides to throw a massive party for his 50th birthday, and during the bash he grabs the microphone and announces to his guests that down in the garden of his mansion he has a swimming pool with two great white sharks in it. "I will give anything they desire of mine to the man who swims across that pool."

So the party continues and everyone steers clear of the pool, until suddenly there's a great splash and all the guests run to see what's happened. In the pool is a man, and he's swimming as hard as he can. The fins come out of the water and the jaws are snapping and this guy just keeps on going. The sharks are gaining on him but this guy reaches the end and he gets out of the pool, tired and soaked.

The millionaire grabs the microphone and says, "I am a man of my word, anything of mine I will give, my Ferraris, my house, absolutely anything, for you are the bravest man I have ever seen. So, sir, what will it be?" the millionaire asks.

The guy grabs the microphone and says, "Why don't we start with the name of the bastard that pushed me in!"

Reassuringly expensive? Not Nella...

Nella looks like one of those classy chicks who wouldn't give the likes of us the time of day. WRONG!

"I think I'm a pretty cheap date," says the 24-year-old. "I'm not really into Michelin starred restaurants, I'd prefer a quick pizza and then a fumble in the back of the cinema."

You're speaking our kind of budget.

"Well, a date is all about making nice until we get to fuck, right? What's the point in making a song and dance about it? Okay, I might want something special on my birthday, but the rest of the time I'm just waiting to get my lips around your cock, so let's not drag it out. Hell, just take me to the pub and we can do it in the loo."

We'll see you at the Rat & Parrot at 7.30 then, love... ♣

WHAT'S SHE LIKE? Shy at first, then she comes to the boil!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
It was a friend's idea. Her bloke buys *Club* and she knew I wanted to do some modelling. She showed me it and I thought I'd take the plunge.

DID YOU ENJOY THE SHOOT?
I think my nerves were showing at first, but I relaxed into it after a while and the I got a bit carried away in the end.

IN WHAT WAY?
I just got really turned on and I was getting really wet. The photographer told me they can't show too much of that in the mag, but maybe you can show those bits online.

OH, WE WILL. LOOKS LIKE YOU WERE REALLY ENJOYING YOURSELF.
That was just the start. I wanted to fuck everything silly after the shoot finished. Me and a girl I know went to the nearest pub and ended up banging these two blokes back at my place. Let's just say I played the 'glamour model' card and it worked!

WILL WE SEE MORE OF YOU?
You try and stop me! I'm booked to do some more solo shoots, and then I'm going to try and persuade the girl who got me into this to do a lesbian shoot with me. I've always had a thing for her and, who knows, she might get carried away in front of the camera as well. If she does, I'll send *Club* the proof! ♣

NME The Album 2009 (Rhino)
2009 won't ever be to music what 1966 was to English footie, but there were a few alright tunes on the radio. The Big Pink – *Dominos* and Temper Trap – *Sweet Disposition* are both here as well as 37 others that could all well be used as background music to wank yourself blind to.

Extremely Sorry Soundtrack
(Volcom Entertainment)
A soundtrack to a skateboard film could go tits up – but with the help of Motorhead's Lemmy, Snoop Dogg, and Warren G, this is actually top tackle. A cover of *Stand By Me* will keep the ladies interested – so strap her up with knee pads and then bang her senseless.

CODEINE VELVET CLUB
Codeine Velvet Club (Island)
Main bloke from the Fratellis starts a new band with a bird and decides to make the kind of music that you hear at local theatre performances. I wouldn't bother with this unless your Mrs loves seeing Les Dennis dressed as Cinderella at the Opera House.

VARIOUS ARTISTS
Balearic Biscuits 3 (Music For Dreams)
You come back from a club at 7am on a Sunday morning with some fresh pilled-up pussy and you need some decent tunes to keep her moving. This is just the ticket with a ngroovy mish mash including Jack Penate, and the Steve Miller Band. You're laughing.

COLDPLAY... WITH HER FANNY

Yep, it's a January retro classic from Radio Jamaica's vulvic vaults. Club chats to not-completely-engaged Coldplay drummer Will Champion after a gig at Leicester De Montfort University, 2000. Irresistible force meets immovable object...

You're from Southampton. Do you support the Saints?
I certainly do.

And are you a Saint in real life or a bit of a devil?
I choose to keep that information to myself.

What's it like being on tour?
Very tiring.

What do you miss the most?
A big, comfy double bed.

Speaking of beds, does being in Coldplay give you a massive advantage with the ladies?
Not as much as you would expect. It's all lies.

So you haven't been shagging girls backstage?
Not yet, no.

How's the sex life going then at the mo?
It's pretty non-existent to be very honest.

Do you like Travis?
I haven't got the album, no.

Do you like MC Hammer?
Not really, no.

What's your advice to bands that are just starting off?
Be honest with yourself and don't try and change who you are for the sake of the media and stuff.

What drinks do you like, lager?
Erm, a bit of everything. Anything that's going.

And what fags do you smoke?
Marlboro Lights.

What did you study at University?
Anthropology.

What's that about?
Mankind. Humans and different cultural systems and stuff.

What sort or women do you like, blondes or brunettes?
It doesn't really matter to be honest.

Do you carry any pornography on the tour bus?
None whatsoever, unfortunately.

And do you like your women shaven or bushy?
I can't answer that.

If you could bed any woman in the world, now or in history, who would it be?
It's someone that you don't know.

& LOVE!

Any names?
No way!

And how would you like to be remembered?
Good question. As someone who was honest and true to themself.

Cheers Will-. Good luck in the future when you'll be really famous. You'll be able to afford porn then.

Something by Coldplay is probably out now. A greatest hits or something.

ONE THE GAME

BAYONETTA (Sega)
Xbox 360, PS3
★★★★★

Out in early January in the EU, the Japanese release of this in Autumn 2009 was met with huge acclaim and top review scores galore. Are we going to differ? No, we're not. From Hideki Kamiya, the man behind *Viewtiful Joe* and *Devil May Cry* – games not without issues but also unique and successful titles – *Bayonetta* is set in the fictional city (aren't they all, apart from WW2 games?) of Vigrid and the titular heroine is a witch who not only wields a bunch of guns but can perform magic tricks with her hair. As you do. While there's a backstory, this really is all about the action, stringing together spectacular moves on the way to the set piece boss battles. Expect a sequel, because this is gold.

MASS EFFECT 2 (EA)
Xbox 360, PC
★★★★

One of the biggest hits of 2007 and 2008, *Mass Effect* was always going to spawn a sequel. Set two years after the events of its predecessor, the sequel sees Commander Shepard investigating the disappearance of whole human colonies. You'll need to recruit a team to deal with this, although a nice touch is that you can use your save files from the first game, the choices you made informing what happens in the sequel, although newbies can start afresh. Expect the same great graphics, sound and voice acting as in the original, as the premier combat/RPG game on the market moves it up another notch. Goodbye quality time.

DARK VOID (Capcom)
PC, Xbox 360, PS3
★★★★

One of the great things about games, that makes them better than real life, is that they've got jetpacks in them. The Japanese have been promising us jetpacks for years, but they're too busy manufacturing vending machines for schoolgirls knickers and playing Russian roulette with blowfish while feeling up women in the tube and wearing Hello Kitty gear. So it's left to the likes of the excellent *Dark Void* to give us our jetpack fix, and ace it is too. It's got aliens, the Bermuda Triangle, legendary electromagnetic bod Nikola Tesla as a character and, yes, jetpacks. Your turn, Japan. When you've done messing about. ♣

BET ON PINK

I work as a waitress in a small town centre casino where my boyfriend, Matt, works behind the bar and his best mate, Michael, is a croupier. After work, they like to chill out with some gambling of their own – for fun, not money. But recently the stakes got a little higher than usual. Matt was being a sore loser after Michael kicked his arse at cards. I sided with Michael just to wind Matt up, so he got back at me by saying double or quits – Michael could fuck me if he lost.

"What are you, my pimp!" I said to Matt, knowing he wasn't serious. But I agreed to the bet anyway, just for a thrill – and I'd always kind of liked Michael anyway! Matt didn't trust Michael to deal him a fair hand, so they played roulette, red versus black, with me spinning the wheel. Michael won when it came up red.

First I gave him a lapdance, brushing my boobs and arse against him. Then I stripped him naked and wanked him off, before laying him back on a table, chips spilling everywhere. I wiggled my bum against him, with Matt in my sights, checking my bloke really was okay with this. He was already stroking himself slowly, and nodded at me to continue.

I straddled Michael, guided his prick into my pussy and started to grind, moaning as it caught my G-spot. Matt moved in to take a closer look as his mate's pole stretched my cunt open, then he began to finger my clit. I moaned, my pussy clenching around the meat inside of it, eyes fixed on Matt's hard-on, which was bobbing around just out of my reach. Then he got up on the table and stuck it in my mouth.

I had Matt caressing my boobs, Michael's hands all over my bum, and my twat was sparking, pulsating. Good thing I'm not a

"I allowed the poor man some relief, telling him I wanted him to blow his load in my cunt..."

gambler – I'd have bet on Michael cumming first, but I got a big, salty burst all over my tongue and down my throat instead.

Michael's winning streak was continuing, as he showed Matt how to fuck me. Now we got off of the table and he bent me over it, raising my leg up so Matt could see how deep he was drilling me. I felt my cunt-cream run down my thigh as I started to orgasm, soon followed by a stream of Michael's thick white jizz.

Matt didn't care, he was just getting off on seeing me take a dick. And he was soon hard enough again to slide his own inside of me, stirring up my messy snatch.

As Michael geared up for another turn, this time at my mouth, Matt told him he'd only won one fuck, so no blowjob. I just ignored this, and started licking around Michael's shiny red head, before gobbling it into my mouth. I sucked Michael as loudly and wetly as I could and Matt was upping the ante too, really ramming into me from behind, thrusting my mouth onto

Michael's dick. I just kept sucking, wrapping my fingers around his twitching root so his entire shaft got attention.

I wanted Michael to cum first this time so I used my free hand on his balls, and he didn't last too much longer. As I felt him about to lose his mess, I told him to blow it over my arse, to give Matt a show. Next thing, I felt the wet splashes hit me, then Matt pulled out and jerked himself all over my crack.

I should have asked them to take a picture so I could see too, but I settled for smearing all the cum over my bum and tits instead. I was a slutty, sticky mess.

We went our separate ways after that – Matt and I back to his place for more fucking, and Michael to wank himself stupid. Well, that's what he told me he did, and he says our one fuck left him wanting me more.

I'm not about to dump Matt, but the more I think about Michael's rigid prick and cum-swollen balls, the more I want him again too. And I always get what I want...

DOUBLE-FUCKED

Around this time of year, I usually head off for a little winter sunshine, and my latest trip was my best yet. It started badly when the hotel fucked up my booking, but they offered to upgrade me to a luxury suite for the first night, as long as I didn't mind sharing it with another single female traveller. Not ideal, but she turned out to be a gorgeous, bubbly blonde named Stacey.

I can be such an idiot, and as I unpacked, my dildo fell out of my suitcase and rolled along the floor. Stacey just laughed and said that was cool as she'd forgotten to pack hers! We clicked, had a few drinks in the hotel bar and, back in the suite, I offered to lend her my toy. "Maybe you could bang me with it?" she said. I'm bi, so that didn't faze me, but we took things slow, kissing on the sofa and stripping each other's clothes off.

She was kissing and licking me all over every inch of naked skin, turning me on and frustrating me in equal measure by the time she reached my fanny. She kept trailing her fingertips over my waxed pussy, saying how beautiful it looked and felt. It was getting wetter by the second, too,

warm juices oozing out over my lips. She licked her fingers, then burrowed her head down to lap it right up.

Her fingers trembled a little as they felt for my cunt, but her mouth on my clit was firm, sucking hard. She took me to the edge of orgasm then paused, so I pulled her face back in position, and let her lick me to total ecstasy. She seemed a little shocked at how hard I came, humping and moaning away, but when she felt my pussy get really tight around three of her fingers, she understood why.

Now she handed me the dildo, asking to watch me use it on myself. I tried, slipping it slowly inside of the puffy folds of my snatch, cumming once but feeling a little too tender to fuck myself hard. So I said it was her turn to cum now.

She lay back on the couch, legs open, and I licked her, just her clit and lips and the outer rim of her cunt, teasing her like she'd done to me. Then I started to pump the dildo in and out, a little deeper every time until just the last half-inch was sticking out of her hole. The end was smooth and so I got on the sofa, scissoring my legs with Stacey's. She groaned as my twat mashed against hers, driving the toy in deeper. Then her fingers moved down to her clit and she gave it all back, fucking hard against me.

Now I was pulling my lips wide apart, exposing my own clit, and strumming at it with my free hand. The two of us were cumming in turn, then

switching back to the other's pleasure. When we finally broke apart, Stacey just lay there with the toy plugging her pussy. I pulled it out so we could share the cream off of it, then it was time to lick her some more.

I took a mouthful of cream and kissed her again, but now she was just letting out little sighs and whimpers, dazed with pleasure. I put on a show for her, lying head to toe with her on the sofa, playing the dildo over my boobs and mound. Then, when I sensed she was getting horny again, I began to stroke it over her slit. I paused outside of her cunt, felt her take a breath in anticipation... But I didn't push in. Instead, I ran it back to the shallow dip of her arsehole.

She let out a long moan, and so I slathered on some lube, then eased the toy in slowly. She let out a gasp every fraction of an inch, but when it was in deep and I started to lick her clit, she was in the throes of pleasure, body glowing and the juices streaming from her hole. She came hard, thighs shuddering. Then she led me into the shower to give my arse a working over.

When the hotel offered us separate rooms the next day, we told them we were quite happy where we were. We hit the beach after breakfast, but by lunchtime we were face-down in each other's twat again...

MINI MILKED

Some guys like big tits or bums, but I'm a leg man with a taste for naturally skinny girls. That's why I tried it on with Mae – a really fit girl from work – when she came strutting past me in a skirt short enough that I could see the tops of her stockings.

"My hands were groping her arse cheeks as she jiggled up and down on my prick..."

Back at her place, she left them on but stripped everything else off. As we made out she pressed up against me. Her tits were tiny, almost disappearing when she lay back, but her nipples were really sensitive when I lifted her up to suck on them. And she was light as a feather.

We played around – her fingers looked so delicate around my cock but wanked me off really hard. I reached down and touched her clit, skimmed a finger in her minge. She wanked me harder, said she wanted me inside of her, right now. I lifted her up again then slid her down onto my knob, feeling her legs clasp behind my back. I could just walk around like she was weightless, hands groping her arse cheeks as she jiggled up and down on my prick.

Most incredible of all, though, was her pussy. Frigging her never prepared me for just how tight it was going to feel around my dick. Each playful kick of her heels against my arse clamped it even harder. Without pulling out, I got her on the sofa, parting her thighs even wider. I'm a big bloke but she told me not to worry – she wouldn't break no matter how hard I banged her.

She looked so horny, her long, dark hair spread out and those little bee-sting nipples poking up. Then I just shut my eyes, focusing all my attention on the sensations shooting through my cock, pressing her knees wide open so I could plough right in as I shot my bolt deep in her creamy cunt.

She liked the man to take control, letting me pick her up, put her down, position her however I liked. I got her legs right up and back, flaunting her well-fucked twat, and used my fingers to give her another orgasm before getting her to lick them clean. Then I was hard again for round two. This time we fucked every which way. Any time I started to get close to cumming, I'd stop, then manoeuvre Mae into the next porn film position I could think of, plus a few she knew or that we maybe even invented.

Piledriver has to be my favourite – that tight arse high in the air, the angle of my cock pumping in and out, her moans as the blood rushed to her head... I played with her clit till she was done cumming, then I teased the pucker of her arsehole with my dick. That's all – if I'd stuck it in there I'd have blown my beans in an instant. When she went on top it was wild. She knelt over me, swishing her long hair against my cock, teasing it hard. Then she sat on me, feet on my shoulders, clinging on as I thrust beneath her.

But of all the positions we tried, no matter how crazy, Mae wanted to go back to missionary. She seemed to get off on having a big man on top of her, fucking her cunt as hard as he could. Any time I slacked off or slowed down, I'd feel her heels against my arse cheeks, spurring me on.

I fucked her hard, until I could feel her clit throb against the root of my dick. Then I dragged myself up over her panting body, dangling my cock in her face. The pre-cum dripped out on her lips, and all it took was a few dainty sucks before she was gulping down my hot salty jizz. I slouched back to find her licking her lips, scooping up stray drops of spunk to swallow. Then she sprawled back, frigging herself again and telling me she was ready. I knew it was going to be a long night...

PALISADES TARTAN BLU-RAY BUNDLE

When DVD came along and kicked video's arse all over the shop, we didn't hesitate to upgrade. The chunky VHS went off to the jumble sale and the sleek DVD's took their place. But now Blu-Ray has come along, will we have to do it all over again? We've only just done with one full upgrade of our men's stuff, so who's prepared to start over? Me, I'm only replacing my absolute favourites until the Blu-Ray price tumbles – and that means the likes of *The Proposition*, part of a sweet Blu-Ray bundle from Palisades Tartan. The stark, bleached colours of Australia look incredible on Blu-Ray in John '*The Road*' Hillcoat's brilliant Nick Cave-penned new-wave western.

The same can be said of Carice van Houten's top bollocks in the overlooked *Black Book*, a strong return to form from Paul Verhoeven. And fans of French policiers who don't have the DVD of *36* should pick up the Blu-Ray, which feels like Michael Mann in Paris, with huge performances from Daniel Auteuil and Gerard Depardieu. There's a nice trio of Korean shockers too, including a brace from Old Boy auteur Park Chan-Wook. *Lady Vengeance* and *Sympathy for Mr. Vengeance* are extreme – and extremely brilliant – while Kim Ji-Woon's *A Tale of Two Sisters* is a jumpy horror already remade in America.

★★★★★

And if you're thinking about upgrading, we'll get you started – one reader can win Blu-Ray copies of all six titles. Just email *clubint@paulraymond.com* or write to the address on page 4. *36*, *A Tale of Two Sisters*, *Lady Vengeance*, *The Proposition*, *Sympathy for Mr Vengeance* and *Black Book* are all out now.

HUSTLE SEASON 5 (Warner Home Video, £24.99)

There's something about Robert Vaughan that just oozes timeless class, and maybe that's the key to *Hustle*'s ongoing success. The capers here are as wide as the lapels, and Vaughan holds it all together in the middle, the calm centre with the cons going on all around him. Adrian Lester is back for season 5 too, along with a couple of new faces that inject some freshness into the mix. It's bright, breezy, brash and a rare example of the UK matching the Yanks for high gloss entertainment. Not only that, we've blagged three copies of the Season 5 boxset to give away. Email *clubint@paulraymond.com* with your name and address, or write to the usual address (see page 4). First 3 names out of the cat in the hat get a copy.

THE HURT LOCKER (Optimum Home Entertainment £19.99)

There've been some fine movies made about our recent military adventures in the Middle East but, strangely, almost all of them flopped. There was also *Redacted*, which was just awful. *The Hurt Locker*, however, outstrips them all. Stripped of its geo-political context it would be tense and powerful, but with it, Kathryn Bigelow's tale of bomb disposal soldiers moves up to another level. Jeremy Renner walks away with the show, despite heavyweights like Ralph Fiennes and the underrated Guy Pierce dropping in. It's Bigelow's best in a long time, and one of 2009's most essential movies.

Cars on Vinyl – Jacques Petit

(Haynes, £14.99)

A brilliantly simple idea, Frenchman (his name contains several clues) Jacques Petit's personal record collection has given birth to this wealth of motors gracing records both famous – The Who's *Magic Bus* – and perfectly obscure – Grethe Sonck's *Du Er Min Mascot*, complete with Morris Mascot. There's French style, there's Danish clunkiness, and there's the nagging sense of what we've lost in the move from vinyl to CD's and MP3's.

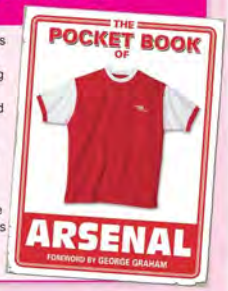
The Pocket Book of Man Utd / Arsenal

(Vision Sports Publishing, £9.99)

We might be a touch late for Xmas – unless you're the kind of bloke who does all his present shopping in the sales when everything is well thumbed and well discounted – but this is the perfect stocking filler for a dad / mate depending on his particular affiliation. There are potted histories of legends, great goals, tactics, memorable matches and even a history of the kit. Obviously the Man Utd book is better. It just is.

★★★★



MotoGP – Season Review 2009

(Haynes, £25.00)

There might have been an inevitability about the winner of the 2009 MotoGP world championship – that man Valentino Rossi again – but that doesn't detract from it being one of the most exciting seasons in recent years. He was pushed to the limit by Casey Stoner, Dani Pedrosa and Jorge Lorenzo, even with Stoner having to drop out of three rounds with a mystery illness. The thrills and spills are captured by the superb photography in this chronicle of the season, which serves as a reminder of how much MotoGP kicks the overblown four wheeled Grand Prix's arse out of the paddock.

★★★★

We've got two copies of this to give away. It's not rocket science, just do what the competitions on the opposite page say!

Bristol Cars – A Very British Story – Christopher Balfour (Haynes)

You might have noticed a motoring theme to this issue's Book Club. That's because we dropped our motoring column – too much rubber and metal, not enough boobs – but we don't want to neglect our petrolhead readers. *Bristol Cars* doesn't come cheap – the RRP is £50 – but aficionados will love this book dedicated to a car that's been manufactured since 1946 and is still going strong. It's a lost age of British motoring.

ONE IN THE INK, ONE IN THE STINK

It was my girlfriend Sadie's birthday, and she reminded me that I'd promised to get her a tattoo. So we went down to a local tattoo parlour, Sadie with her authentic homemade design, me with the cash to pay for the tattooist. I knew it was going to be well worth it as soon as I saw Sadie lean forward, her shirt raised and her jeans unfastened to reveal her lower back.

The hairy tattooist sat at her rear, mapping out Sadie's owan handiwork onto the base of her spine. Then the sound of the tattoo gun drilling into her taut flesh, inky needles injecting the skin of that most sensitive area of the female anatomy. I knew Sadie wouldn't wriggle, as I thought of her bent over for it, the slightest hint of that valley of shadow…

Back at her flat, Sadie took a shower, and then asked me to apply some antiseptic cream to her raw inscription. I hooked a finger inside the waistband of her knickers and tugged them halfway down her bum before massaging the soothing lotion into the small of her back. "That feels nice," she purred, as she ground her arse into my bulge. I cupped her bare tits in my hands while she took hold of my stiffening cock and led her hand, lowering her lips over my helmet. "Suck it," I grunted, and she did.

Sadie came up for air and straddled my hips, then swung round so that she was facing away from me, cowgirl-style. She started to dry-hump my hard-on, gasping as my hardness pressed against her clit. Her rear end looked incredibly pornographic, the grinning skull tattoo dancing above her sexy knickers. I untied the lace bow and slipped my hand inside the peephole. I began to finger her arse, thumbing her bumhole as she rocked back and forth.

"Ffuck," Sadie moaned, as I corkscrewed first one, then a second, finger into her tight little brown eye. Tugging aside her pants, she dropped her gash down on my rigid dick, as I continued to vigorously finger-fuck her wrong hole until she was squealing like a pig, "I want your fucking cock up my bum!"

I slopped out of her snatch as she slipped off her pants. Arched backwards, she held open her arsecheeks as I guided my girth towards her starfish portal. "That's it – up my arse," she chanted breathlessly as my cockhead, lubed with her cunt cream,

"Her pneumatic arse rode my greasy meat up and down until she was cumming..."

me to the bed. She crawled onto all fours, jutting her peachy bum into the air. My hard-on nestled in the crevice between the soft curves of her buttocks, a cupid's arrow pointing towards her tattoo, a skull and crossbones rising like a flag over the hemispheres of her arse.

My stiffy slid down Sadie's arsecrack, like a missile guided by the heat of her cunt. "Fuck me, make me your dog," she panted as she lurched backwards, impaling herself on my dick. Her buttocks slapped against my stomach as my hammerhead drilled her hard and fast. Her freshly crusted tattoo did nothing to deter my climax, and I quickly withdrew my dick from her to splooge wads of jizz over her rump, baptising her graveyard graffiti.

"Mmm, that was fun! Let's do it again, yes?" suggested Sadie. We showered together, and as Sadie soaped my cock and balls I slipped a soapy finger up her arse. I soon felt my hard-on reviving. In the bedroom, Sadie sprawled on the bed. She was wearing a pair of black mesh pants I'd bought her for her birthday last year. The rear had a lace-trimmed peephole tied with a bow. Sadie teased my cock with her feet, and then crawled forward, taking my shaft in

squeezed past her supple sphincter. "Fuck me in the arse!" she begged as her haunches slammed down, meeting the upward thrust of my hips, her tattooed skull grimacing as the length of my cock disappeared inside her bum. Sadie was certainly up for her birthday treat. Her pneumatic arse rode my greasy meat up and down, until she was cumming with a vengeance, her laughing deathshead tattoo an indelible reminder of the secret pleasures of her most private place. *Rich, Gloucester*

FILLED TO THE BRIM

There I was, laying on my back, my boyfriend Paul's dick pounding in my cunt, as our new friend, Wayne, knelt over my face, cramming my mouth full of hard cock. Obviously I couldn't speak as his helmet plunged down my throat, so the boys just had their own conversation about me. Wayne said if my arse felt half as good to fuck as my mouth, he might never pull back out. Paul said he should try it.

But, for now, Wayne was staying where he was, fucking my mouth as I sucked harder. I was lost in pleasure as his balls dragged over my face, as the sight of us spurred Paul on to bang me faster. Wayne's spunk started spurting out. I gulped like crazy, swallowing all I could as he pulled out, then writhing on the floor as he splashed the rest of his balljuice all over me.

Now Paul hit the home straight, as I rubbed Wayne's cum all over my tits. He pulled out, hand blurring as he wanked his prick, dumping his own load all over my boobs and tummy too.

Wayne wanted my arse so bad, immediately moving in to play with it, using my flowing fuck-juices to wet it, before Paul tossed him a tube of lube. As he got two fingers inside my bum, I got my hand around his shaft and began to jack him. He dripped more lube on his helmet and I rubbed all over it, until he was slick and rigid.

Paul sat and watched, getting horny. He told Wayne, "I'm so jealous…" Even though he got to fuck my arse any time, he said the first-ever time was the best, when the realization hit him that I was tight even beyond what he'd imagined.

Wayne asked Paul if he was planning to give my pussy another poking while he did me in the arse? I shivered. I'd seen it in pornos, tried it with toys, and, though I felt kind of nervous at the thought of taking a dick in each hole, I knew I wanted it. So did Paul, especially when Wayne said my cunt would feel even tighter than ever if I had my arse stuffed with cock.

Paul lifted me up, and I slithered down his body, taking his cock in my pussy on the way. I clamped my legs around him, felt Wayne's big, rough-skinned hands splay my cheeks wide. Then the smooth, lubed head of his prick probed for an entry… I tightened against him, breathing deep, then relaxed so he slid in slow.

His helmet felt so huge, but once it slipped in past my tight ring of muscle, his shaft stretched me so deliciously. Paul was groaning – now my cunt felt twice as tight around his prick. They just stood there, buried in deep, then as Paul moved me on his pole, Wayne began to thrust too.

A huge, intense wave of sensation just flooded through me. Meanwhile, their cocks were grinding in my arse and pussy, sometimes in sync, sometimes one pushing in while one was pulling out, stroking up against the wall of flesh dividing them.

I can't remember exactly when I began to cum, or how many times. I just know that by the time Paul finished in my twat, I was a sweating mess, squealing again as they sucked on a tit each. Paul jizzed so hard he almost had trouble holding me up, but Wayne hung on, banged his knob deep into my bum, then shot his load. I groaned for Paul to fetch a mirror, so I could see my two holes, each running with creamy spunk. I felt like such a slut – and I loved it! *Mia, Watford* ♣

SCRUFF JUSTICE!

Get over all the Xmas gubbins with some New Year nastiness...

RATINGS: ★ GICKERS ★★ BICKERS ★★★ SNICKERS ★★★★ KNICKERS ★★★★★ LICKERS

KNICKERS OFF (HARMONY)

What's great about Harmony movies is that, even while they don't usually have plots, they've clearly been thought out. In fact, the only weak thing about this excellent grumble movie is the title. Sorry, but *Knickers Off* is just a bit slapdash. Then again, *Birds Having Their Wrong 'Uns Stretched By Massive Cocks* would be a tight fit on the cover. As per, the styling is spot on, there are plenty of British sorts – including the fab Robyn Truelove, who we retain a thimbleful of jizz for at all times – and the reamings are copious. World class porn, whatever it's called. ★★★★

BAD GIRLS 2 (DIGITAL PLAYGROUND)

Riley Steele takes on two tools for the first time ever? Diamond Kitty takes it in the kitty? Angelina Armani does something, anything, and we get to watch? Yup, Digital Playground veteran director Robby D knows how to push our buttons, the buttons marked 'hard-on', 'masturbate' and 'ejaculate' to be precise. There's so much eye candy on display here that your eyes will rot and you'll have to have eye fillings, which will hurt like fuck, especially the drilling. But, still, at least you'll go down wanking. ★★★★

SLUTS AND THE CITY (PRIVATE)

According to Private's press site, 'everybody is talking about the new *Sex and the City* sequel'. Well, I can inform them of just over 49% of the planet's population that aren't. No, we men simply couldn't give a fuck – apart from a few mindless traitors – which makes this cash-in from Private even more welcome. The missus and her mates can go see Carrie and her dim mates eat cupcakes and talk about tampons and we'll spray the carpet to the site of Tarra White and Cindy Dollar getting glazed like Krispy Kremes. Win-win. ★★★

BIANCA'S BONUSES

She's platinum all the way down to her pussy...

So, Bianca, what do you make of all this greed in the city?

"Why the hell are you asking me? Is it just because my name sounds like 'banker'?"

Yes.

"Well, I haven't got an opinion on it, obviously. Have you noticed my hair colour?"

Are you telling us that you're a dumb blonde? But we thought that was peroxide.

"Okay, it is, but I use being blonde as an excuse to avoid boring conversations about banks. I mean, I'd rather talk about wanks, but if you want we can get into liquidities and deleveraging. I've got investments so I know all about it, but I'm in *Club*, can't we talk about tits and fanny instead?"

Yes. Nice tits and fanny you've got there, Bianca... ♣

WHITE WATER SHAFTING

Shyla gets the frothy stuff all over her...

American uber-hottie Shyla Jennings is the kind of girl we'd like to do outdoorsy pursuit type stuff with. We'd just be watching, obviously, but we'd be ready with a warm towel and to help her out of that freezing wet T-shirt.

"I could use an assistant," she laughs, "I love doing dangerous things, but I always get wet or dirty."

We'll be there for you.

"What else do you do? I mean, I dream about having an assistant on hand for all the really filthy jobs. I'm not looking for a boyfriend right now, but a helper who'll lick my cunt and fuck me in the ass [that's American for arse – transatlantic Ed] would be a dream come true."

Shyla, that's the very least we can do for you... ♣
